Venue accessibility-

Little Angel Theatre

14 Dagmar Passage

London N1 2DN

The Theatre is wheelchair accessible via a ramp in the entrance. Foyer, Box Office, shop, toilets and auditorium space are all on the ground floor.

The theatre auditorium seats 90 people and can accommodate one wheelchair user, or two wheelchair users if they are in the same party.

Doors to the theatre open 30 minutes prior to each performance start time.

The dimensions of the accessible toilet are: 1.35m x 1.45m.

Please note that, other than designated wheelchair spaces, seating for our performances is unallocated. This is to ensure that everyone has a good view of the stage, especially the children. If you need to reserve certain seats which are more accessible for you, for example if you are visually impaired, hard of hearing, or have a mobility issue which means you would be more comfortable in an aisle seat, please contact our Box Office.

Please note that wheelchair spaces can only be booked with Box Office by phone because we need to take extra seats off sale. For other access requirements, you can book tickets online if you prefer, but you will still need to contact Box Office in advance of the show to reserve seats.
