

THE TWO HORSEMEN

Accessibility Information

Aces & Eights Saloon Bar, 156 - 158 Fortess Road, Tufnell Park, NW5 2HP
21st-23rd August 2023
6:30 PM

The performance takes place in the downstairs performance area of the venue. Unfortunately, there is no wheelchair access to the performance area. It is accessed via a flight of stairs next to the end of the main ground floor bar. There are toilets downstairs and a smaller bar (which is staffed at the discretion of the bar management).

The performance begins at 6:30 PM and has a running time of 45 minutes, with no interval.

We recommend the show to those 18 and over as there may be language and subjects used that are unsuitable for children. As the show is substantially improvised, we cannot give thorough content warnings - however, we want the show to be enjoyable for everyone and we avoid incorporating content, subjects or situations which may unduly upset or offend.

Aces & Eights is just over the road from Tufnell Park Underground station, with several bus stops surrounding it providing connections from all over London. It is a 10-minute walk north from Kentish Town station for national rail services.

If you have any questions, or accessibility requirements that are not covered here, please email twohorsemencomedy@gmail.com and we will respond to you as soon as possible.
